

Dead Block Straightener Application Data Sheet

Customer: _____ Address: _____

Contact: _____ Telephone: _____

Application Description: _____

-Type of Process-

Material Type: _____ Tensile/Yield Strength mPa: _____
 KPSI: _____

Wire Diameter Size: _____ Preferred Groove Style: **VEE** Radius

Special Material Characteristics (i.e.Coatings): _____

Process Line Speed m/min _____
 ft/m _____

Preferred Mounting:

A Dimension = _____ B Dimension = _____

C Dimension = _____ D Dimension = _____

Select Type of Hole Required:

Clear Hole _____ C'Bored Hole _____ Tapped Hole _____
